EXCITING STUFF FOR THIS TERM

A huge welcome back to all of my students and we warmly welcome all who are starting at the Academy this term ☺. We have a some very exciting things planned for you this term. The Lower primary children will be playing a variety of parts from Aliens to Pirates! The upper primary children will be performing a huge range of plays, for example a dramatic piece called "the Mine Disaster" and a creepy version of "A night at the Wax Work Museum" Both Lower and Upper primary will be working on new movement pieces called Mime to Music and these include "The Crafty Crockery" and "The Tropical Storm". Some of the plays will have themed dressing up days and we have attached a schedule for you to prepare for these special days. Please don't worry all props and costumes can be readily found at home ☺

Youth Theatre classes have some fantastic script work, character collages; circle dialogue acting games and some students will be able to try directing their peers when we build an improvisation.

A selection of these will be shown to parents at the end of term!

KINDY DRAMA

We started our wonderful KindyDrama programme last term and we are delighted to announce that in conjunction with Greenwich Council we are able to provide our development programme for younger children at Discovery and Waterways in Thamesmead. If you are interested in bringing your younger children along please contact myself, Discovery or Waterways Sure-start Centres.
